

LISIEUX
Matriculation Higher Secondary School
A CMI INSTITUTION SINCE 1972

52
Years of Educational
Excellence

MEDIA PARTNER

Founder
St. Kuriakose Elias Chavara

The Patron and Founder of the CMI congregation, Saint Kuriakose Elias Chavara, took pioneering steps to educate children without distinctions of class, creed or family status. It is from the life of this saintly philanthropist that we draw inspiration to carry on the task of imparting wisdom to generations.

CMI educational endeavors are open to all and aim at forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable, who will champion the cause of justice, love, trust, brotherhood and peace and remain open to further growth and change.

EDUCATIONAL Conclave 2023

“ Lisieux Group of Institutions, in collaboration with the Department of Education and Communication Media, Preshitha Province, Coimbatore, had organized an Education Conclave titled 'EnlightenED: Nurturing for Tomorrow', to bring together the bright minds from across the country and beyond. The Conclave was held on 30 November and 01 December 2023 at Lisieux Matric Hr. Sec. School, Coimbatore under the guidance of Rev. Dr (Adv.) Joy Arackal, the Principal. ”

The Conclave was inaugurated by Rev. Dr. Saju Chackalackal CMI, Provincial of Preshitha Province & President of LF Education Society, presided by Rev. Dr. Jose Paul CMI, Correspondent of Lisieux MHSS and in the presence of Rev. Fr. Philips Panackal CMI, Provincial Councilor for Education and Media & Secretary to LF Educational Society.

The two-day intellectual banquet served as a unique platform for educators, teachers and leaders. A myriad of insights and perspectives were shared by the delegates during the line up of engaging panel discussions and expert talks, shedding light on the crucial role of collaboration between the government, education sector and society in transforming education delivery in India.

The Conclave provided a panoramic view of India's giant leap in enabling its education system to rise to its present stature in the global scenario. It also emphasized on the fact that Education is not to be confused with training for a profession. On the contrary, the fast evolving education system here is not focused on producing students to work under someone but to solve problems with a global mindset. Besides, the event also provided a kaleidoscopic view of the various education systems around the globe.

REV. DR. SAJU CHACKALACKAL CMI
PROVINCIAL OF PRESHITHA PROVINCE & PRESIDENT OF LF EDUCATION SOCIETY

REV. FR. PHILIPS PANACKAL CMI
PROVINCIAL COUNCILOR FOR EDUCATION & MEDIA, PRESHITHA PROVINCE, COIMBATORE

Lisieux has completed five decades of excellence in education. It is a matter of great pride to see an institution grow into maturity, stability and reach out to all sections of the society. Lisieux has grown, from strength to strength over the years to feature as one of the top schools of the country. The school, as a timeless, changeless being, Lisieux combines innovation & tradition, ever mindful that progress is the key to development, of both students and staff

DAY 1

A dynamic two-day Education Conclave successfully brought together a diverse assembly of educators and visionaries with the aim of delving into innovative approaches to education. The overarching goal was to equip students with the skills necessary to meet the demands of the future. The event served as a comprehensive platform, addressing a spectrum of topics integral to the landscape of education. Discussions during the conclave spanned various crucial aspects, including Curriculum Innovation. Participants engaged in exploring novel methods of designing and structuring educational content that align with the rapidly evolving needs of industries. The integration of Technology into education emerged as a focal point, with participants deliberating on effective strategies to infuse technology into the learning process for heightened engagement and skill development.

Inclusivity in Education Practices was another key theme, prompting conversations around the creation of learning environments that embrace and cater to the diverse needs and abilities of all students. The conclave also emphasized the critical need for continuous Teacher Professional Development.
